Rationale and Goals

The faculty and staff in the School of Education are committed to providing supportive services that will assist prospective teacher candidates and others in identifying and maximizing their talents, strengths, and potentials during their educational journey. The retention goals of the school are incorporated into the motto of the college, which simply states: “Enter to Learn... Depart to Serve”. The goals are:

- to assist teacher candidates to maintain at least a grade point average of 2.50 or higher
- to assist teacher candidates to be admitted into TEP (Teacher Education Program) and non-certification majors to be admitted to the upper level
- to assist teacher candidates to pass the FTCE/General Knowledge (GK) and CLAST (graduation requirement)
- to assist teacher candidates to pass the FTCE/PeD and SAE
- to assist prospective candidates to graduate with a Bachelor of Science or Bachelor of Arts degree in education, recreation and educational studies.
- to assist teacher candidates to secure employment or enter a graduate or professional school.

Available Services and Activities

- Admission Ceremony into Teaching Education Program (TEP) and Upper Division (non-certification)
- Monitoring and assessing candidates’ academic progress
- LiveText membership and training
- Available scholarships from Teacher Education Institute (TEI) and Florida Fund for Minority Teacher Scholarships
- Application for FTCE Tests: General Knowledge Test (GK), Professional Education Test (PeD) and Subject Area Examination (SAE)
- Annual Teacher Recruitment Fair (campus)
- Technical assistance/training in designing portfolios in teacher education (PDF, electronic and digital portfolios)
- Tutorial service and use of supplementary materials for test preparation for FTCE
- Required Professional Educational Seminars (EDM 380 - four semesters)
- Quality academic advisement, counseling and program planning by major advisors
- Provide clinical and field experiences (ED 231, ESE 200, EDA and EDB 352)
- Opportunities for student membership in PEM Club, Council for Exceptional Children (CEC), Alpha Kappa Mu National Honor Society and Kappa Delta Pi International Honor Society
- Student Advisory Council and student representation on School of Education committees
- Community Resources Center (Kottle 217) and the Education Technology Center (Kottle 127)
- Referral system that utilizes institutional and community resources

Re: TEAP (Teacher Education Program) and Upper Division (non-certification)

REAP

Admission Process

- Complete and submit an application to the School of Education (LiveText)
- Complete general education courses in English, math, reading and speech with a grade of “C” or higher
- Have a cumulative grade point average of 2.50 or higher and 2.00 for Educational Studies
- Have passing scores on all four parts of the GK test, Praxis I or similar test (state approved teacher education program)
- Have passing scores or exemptions on all four parts of CLAST (non-certification programs)

Note: CLAST and Praxis I scores earned after July 1, 2002 will not be acceptable for certification or program completion.
